Dear Parent,

At Queen Mira International School, we believe that every student is unique, with their own set of strengths, interests, and learning styles. As your child transitions from grade 10 to grade 11, it is crucial to ensure that they choose the study stream that aligns best with their potential and aspirations.

To help you make an informed decision, we have created this comprehensive questionnaire. By answering these questions, you will gain valuable insights into your child's profile, which will guide us in recommending the most suitable study stream. Please take a few moments to complete this questionnaire and submit it to us. Our team of experts will then schedule a personalised consultation to discuss the results and provide tailored recommendations.

Thank you for your time and trust. Together, let's unlock your child's full potential!
